There will be a brief show followed by a Parade with volunteers holding the names of the teams. 1.3.2 Closing Banquet and Final Party

The Closing Banquet will take place on Sunday, 16 July, at 20:30 at the Kenyatta University. A Final Party will follow.

2. TRAVEL TO NAIROBI

2.1 Official Airport and Arrival Information

The official airport is Jomo Kenyatta International Airport (IATA code: NBO).

Arrival in Nairobi should be on Monday, 10 July and departure on Monday, 17 July. For those teams planning to arrive prior to 10 July and/or leave after 17 July, they are advised to contact the LOC well in advance in order to secure the necessary accommodation outside of the official period.

LOC staff will assist the delegations with entry formalities and customs clearance. The Delegations will collect their luggage in the Baggage Claim Area and carry them to the Transport Loading Zones provided for the Championships. These will have clear signs for buses to Kenyatta University.

Special arrangements will be made for the vaulting poles which will be collected directly at the airport and transferred directly to the Warm-up Area. A tag with the athlete's details will be placed on the pole for easier identification. On the way back they will go directly from the Stadium to the airport where they will stay in storage ready to be collected by the athlete before flight check-in.

In case of lost luggage, the LOC will make every effort to help locate it. The Team Leader is nevertheless expected to declare the missing luggage at the Lost and Found office. The Team Leader may be also requested to return to the airport to identify the luggage if it was not located immediately. Consequently, transportation of the luggage to the venue/Kenyatta University will be arranged by the airline company or the LOC.

All athletes and officials will be transported to Kenyatta University. The Team Leader will report directly to the LOC / IAAF Accreditation Offices to complete the administrative formalities. Once the Team Leader has finalised all necessary formalities, he will join the rest of the team. In case of early or late arrivals, the Team Leader will complete accreditation formalities the next day or as soon as practical.

For the departure, teams will be transferred from Kenyatta University to the airport. At the airport volunteers will assist with check-in formalities and local tax exoneration stamp.

2.2 Entry Visas

As mentioned on Circular M/08/17, **no online visa application should be completed**. Visa will be delivered as part of the normal immigration checks conducted upon arrival and no visa fees will be paid.

Appendix F of the above mentioned Circular provides the list of IAAF Member Federations divided into three Visa categories. Categories B and C need to complete the request form attached and submit it to the LOC by 19 June 2017 at the latest.

Please do not hesitate to contact the LOC Visa contact person, Mr. Maxwell Nyamu on email address: mnyamu@wu18nairobi2017.com if you have any queries regarding visa.

2.3 Insurance

All Member Federations are responsible for subscribing to an insurance policy that covers illness and/or injury to any members of their delegation and/or team travelling to and from IAAF competitions and during the event itself. Furthermore, proof of such insurance is now required in most cases to obtain visas, e.g., in the Schengen area.

Details of the IAAF insurance policy were outlined in Circular M/06/17 dated 25 January 2017.

8. ENTRIES AND FINAL CONFIRMATIONS

8.1 Entry Standards and Rules

The entry standards and conditions for the validity of the performances were approved by the IAAF Council during its meeting on 30 November and 1 December 2016 (see the Appendix). The Entry Rules are summarised below.

8.1.1 Age Categories

Only athletes aged 16 or 17 on 31 December 2017 (born in 2000 or 2001) may compete. Team Leaders must present athletes' passports upon arrival, or other official documents indicating the year of birth, to confirm ages and in order for them to be photocopied.

8.1.2 Qualification Period

In accordance with the Technical Regulations, the qualification period runs from 1 October 2016 to 3 July 2017. In an attempt to help Member Federations, the deadline for submitting the Final Entries remains at three Mondays before the start of the Championships (as established by the Technical Regulations), i.e., 26 June 2017, but there will be an extended qualification period of one week.

This means that Member Federations must submit the athletes' names, including reserves, and all other relevant information (names of officials, travel details and accommodation needs) by 26 June 2017 but would be allowed to make any changes to the composition of their team up to one week later, i.e., until 3 July 2017. Please note that this is NOT an obligation but an option which some Member Federations may wish to take advantage of.

8.1.3 Entry Rules

- A maximum of two athletes from any one Member can compete in each event with the exception of the Relay (see below). Three athletes can initially be entered per event, provided each has achieved the Entry Standard but only two will be permitted to compete.
- The maximum number of events that an athlete can compete in is two individual events plus the Relay. If the two individual events are Track Events, only one of these two individual races may be longer than 200m.
- There are no entry standards for the Mixed Relay so every Member Federation may enter one team for each relay race composed by a maximum of six athletes. Any four athletes among those entered for the competition, whether for the relay or for any other event, may then be used in the composition of the team for the first round.
- Members who have no male and/or female qualified athletes in any Championships event, **may enter one unqualified male athlete OR one unqualified female athlete** in one event of the Championships (except the Field Events [see below] and Combined Events).
- Members who have no male and/or no female qualified athlete but whose best athlete excels in a Field Event, may submit to the IAAF the name of their athlete plus performance they would like to enter in the Field Event. The Technical Delegates will decide whether or not to accept such entry and, to do so, may seek the opinion of the relevant Area Association.
- Names of unqualified athletes were to be submitted to the IAAF by 31 May 2017.
- If Kenya as the host country of the World U20 Championships does not have an athlete qualified in an event, it may enter one athlete in these events regardless of any entry standard.

8.2 Final Entries

The IAAF on-line Event Entry System is available from 29 May for the Final Entries (<http://evententry.iaaf.org>). The deadline for completing and submitting the Entries is 26 June 2017 (midnight Monaco Time).

Technical Delegates may request Member Federations to submit a copy of the official results of the event where the qualifying performances have been achieved.

Please note that Final Entries for the Relay will be accepted until the Final Confirmation deadline (9:00 am on Friday 14 July).

8.3 Final Confirmations

8.3.1 General

Teams will receive the Final Confirmation Forms upon arrival in Nairobi and Team Leaders, or their representatives, must confirm the names of those athletes already entered who will actually take part in the competition.

For events held on 12 July, Final Confirmation of Entries must be made before 12:00 am (midday) 11 July and, for all subsequent days, before 9:00 am on the day before the event. It will also be possible for Teams to confirm their athletes upon arrival during the accreditation procedure at the Accreditation Centre.

8.3.2 4 x 400m Mixed Relay

As per IAAF Rules, the final composition of the relay teams and the order of running must be declared at the TIC or at the Warm-up Area no later than one hour before the published 1st Call Time for the event (IAAF Rule 170.11). The Declaration Forms will be distributed through the TIC. Once the team has taken part in the event, only two additional athletes may take part in the Final. Substitutes may only be taken from the list of entered athletes, whether for the relay or for any other event.

The deadlines for the Final Declarations will be as follows:

1 st Round	15 July 10:10
Final	16 July 15:26

8.3.3 Failure to Participate

Any athlete who, after the final confirmation has been given, or after qualifying during a qualifying round or a heat for any event, fails to participate in the event without giving a valid reason (e.g. a medical certificate issued by the official doctor of the Championships), shall be excluded from participation in all further events in the competition, including the relay (see IAAF Rule 142.4).

8.4 Withdrawals

Withdrawals after final confirmation, have to be submitted, on the official Withdrawal Form, to the TIC. If the athlete is entered in another event of the Championships, the reason for the withdrawal has to be specified in detail, being its acceptance the responsibility of the Technical Delegates based on the IAAF Rules.

8.5 Athlete Acknowledgement and Agreement

Each athlete competing in an IAAF World Athletics Series Competition must have an appropriately filled in and signed copy of the Athlete Acknowledgement and Agreement on file at the IAAF. All athletes competing in the IAAF World U18 Championships must sign and submit this acknowledgement, as soon as possible, and ideally by no later than the Final Entry deadline (26 June 2017). IAAF Member Federations are obliged to submit one for each entered athlete (athletes-agreement@iaaf.org). Any Athlete Acknowledgement and Agreement Form not received by the IAAF before the event will be collected at the time of the Accreditation procedure. The Athlete Acknowledgement and Agreement Form is in the Appendix. Athletes whose Agreement is already on file with the IAAF do not need to send it again - see appropriate indication in the EES.

9. COMPETITION PROCEDURES

9.1 Orientation Visit for Team Leaders

There will be a visit organised to the Moi Stadium on Tuesday 11 July at 12:00, in order for the Team Leaders to familiarise with the exact location of the main facilities (Team seats, Changing Rooms, Call Room, Combined Events Rest Area, TIC, Mixed Zone, etc.).

More information with regard to this visit, including transport arrangements, will be available at the Championships Information Desks.

9.2 Technical Meeting

There will be no formal Technical Meeting in Nairobi. Instead, the Technical Delegates, together with the IAAF and LOC Competitions Staff, will make themselves available, on 11 July, to any team managers that wish to address any particular matters. This informal meeting will take place at the competition stadium in the teams' tribune, during the delegations' stadium tour, starting from 12:45. Information on the progressions, starting heights and raising of the bars will be distributed through the CID at the Kenyatta University before the stadium tour.

9.3 Timetable

The timetable for Nairobi 2017 can be found in the Appendix. Please note that if there are any minor changes once the Final Confirmations are received, they will be notified through the TIC and CID.

9.4 Athletes' Bibs

The Bibs will be distributed during the Accreditation procedure. Bibs which are not collected will be taken to the Stadium TIC on 12 July in the morning.

All athletes will receive three bibs as follows:

- One bib with the name and country flag to be worn on the chest
- One bib with the number which must be worn on the back
- One additional bib with the number to be placed on the bag (or on the track suit)

In the Pole Vault and High Jump, it is possible to wear only one bib on the front or on the back. In this case, it must be the bib with the name and country flag.

For the athletes in the Race Walks events, the front bib (with the transponder) will be handed out at the Call Room on the day of the race.

The bibs for the Relay (carrying the country code – e.g. "KEN") must be worn on the back and will also be handed out at the Call Room.

Bibs must be worn in accordance with IAAF Rules and must not be cut, folded or obscured in any way. Failure to comply with the Rules may result in a disqualification or sanction.

Track athletes must also wear the hip numbers provided at the Call Room.

9.5 Athletes' Clothing

All athletes must wear the official national uniform approved by their Delegation. IAAF Rule 143.1 recommends that the front and the back of the uniforms should have the same colour. The uniforms will be checked upon arrival at the Team Accreditation Centre. Any infringement of the Rules may result in the disqualification of the athlete. Athletes not wearing their official team uniform will be required to acquire the correct attire before they progress through the Call Room. Any advertising on clothes and bags must comply with IAAF Rules and Regulations (see latest edition on the IAAF website). Please note that the IAAF Advertising Rules and Regulations applicable for this competition specify a maximum of 30 cm² for the Manufacturer's logo on the competition wear and 40 cm² on sweatshirts, T-shirts and jackets.

The name / logo of a national sponsor may be displayed, according to the same dimensions as set out above, instead of one of the national team or Member Federation logo or flag on the national vest/leotard provided that such national sponsor is not a competitor of a Sponsor of the IAAF or of the event. For Nairobi 2017, these are the following:

- Asics

- SEIKO
- TDK

For the purpose of avoiding conflicts on site, Member Federations are strongly advised to seek prior approval from the IAAF.

9.6 Personal Belongings

Athletes (including Combined Events) will only be permitted to take a backpack or similar sized bag with them into the field of play. Combined Events athletes may bring larger bags but they must be left in the rest area during the events.

A strict inspection will be made on illegal and prohibited items which athletes may have in their possession. Electronic devices (radios, CD/MP3 players, mobile phones, cameras, etc.) will not be permitted. Any items that do not conform to the IAAF Technical and/or Advertising Rules and Regulations will be confiscated at the Call Room. Confiscated items may be retrieved at the TIC after the event upon presentation of the corresponding receipt.

9.7 Call Room Procedures

9.7.1 Warm-up Area

All competing athletes are normally expected to report to the Warm-up Area where they will be taken by bus from their hotel. Depending on the start time of their event, they will have to gather and will be taken to the Call Room at the Competition Stadium according to an appropriate schedule, which will be published daily and distributed through the TIC.

9.7.2 Call Room

All competing athletes are required to report to the Call Room according to the respective reporting schedule (see below).

Athletes will be identified by their accreditation card and bib number and will undergo the routine checks:

- Checking of national uniform
- Inspection of personal belongings
- Checking of shoe spikes (number, shape and size) for compliance with IAAF Rule 143.3 and 143.4.
 - All events: not more than 9mm
 - High Jump and Javelin Throw: not more than 12mm

If they do not comply with the IAAF Rules, the athletes will be asked to change them to the correct size.

After the completion of these procedures, athletes should follow the instructions given by the officials at the Call Room. Team Leaders must ensure that all their athletes comply with the above before entering the Call Room to avoid delays.

Athletes who fail to appear on time at the Call Room without a valid reason may be excluded from participating in this and all further events in the Championships, including the Relay.

Team officials are not allowed to enter the Call Room.

9.7.3 Reporting Times

Every day a dedicated, heat by heat, reporting schedule will be issued once Final Entries are confirmed and displayed at the Warm-up Area.

It will indicate the following:

- Leaving the Warm-up Area
- Entry to Call Room
- Arrival at competition site
- Start time of the event

The general times for Call Room entry and arrival at the competition site are as follows:

Event	Entry to Call Room	Arrival at Competition Site
Track Events	40 min	10 min
High Jump	70 min	40 min
Pole Vault	90 min	60 min
Other Field Events	60 min	30 min
Relay	40 min	10 min

All times are prior to the actual starting time of the event.

Athletes who compete in Combined Events shall report to the Call Room on each of the relevant days of the competition, before the first event of each day (the reporting times above will apply depending on the event). The athletes' control will then take place in the Rest Room before the start of each event.

9.8 Track Events

The starter's commands will be given in English.

Hip numbers will be provided at the Call Room.

A practice session with the official starters and starting blocks is scheduled for Tuesday 11 July at 11:00 at the Competition Stadium.

9.9 Mixed Relay

Each team will be composed of two boys and two girls. There is no fixed order of running and the order may be decided by each team at the time of the Final Declaration.

9.10 Field Events

9.10.1 Trials

Qualification procedures and conduct of the events will be according to the IAAF Rules.

9.10.2 Pole Vault

An athlete shall, before the competition starts, inform the appropriate official of the position of the crossbar he requires for his first trial and this position will be recorded. If subsequently an athlete wants to make any changes, he should immediately inform the appropriate official **before** the crossbar has been set in accordance with his initial wishes, otherwise the time for his attempt will continue to run.

9.10.3 Coaching Zones

In all the tribunes, seats will be reserved for the Field Event coaches at appropriate places. Only coaches of the athletes involved in the event will be allowed access (one coach per competing athlete), which will be checked against the event start lists.

9.11 Race Walks

The Race Walks will be conducted using the "Pit Lane" Rule. Results achieved in competitions conducted with the "Pit Lane" Rule will be accepted for the purpose of Entry Standards.

9.12 Timing and Measurement

Official timing and measurement will be provided by SEIKO. Transponder timing will be used for the Race Walks. In these cases, the front bib (with the transponder) will be handed out at the Call Room.

Video Distance Measurement (VDM) will be used as the official measurement system to determine the results in the horizontal jumps.

9.13 Post Competition Procedures

All athletes shall leave the field of play via the Mixed Zone situated just after the finish line. In the Mixed Zone, the Media may conduct short interviews. Please note that the first three athletes in each final may also be required to attend the formal interview.

After passing through the Mixed Zone, athletes move to the Post Event Area where they will be able to recover and collect their clothing. From here they will return to the Team Seats or Warm-

up Area or to the hotel or go to the team seats.

9.14 Medal Ceremonies

Medal Ceremonies will normally take place immediately after the event and before any other post event procedures. Competition Officials will take the three athletes (or teams) to be awarded directly from the event site to the Podium where they will be presented with a gold, silver and bronze medal.

When a delegation competes in Relay semi-finals and finals with more than four athletes, only the four athletes in the final will be awarded medals during the official ceremony. The other athletes will receive their medals later through the TIC.

The athletes must wear their delegation's official uniform at Medal Ceremonies.

9.15 Protests and Appeals

Protests and Appeals will be handled according to IAAF Rule 146, an extract of which appears hereunder. Protests and appeals will be handled by the TIC at the Stadium.

9.15.1 Protests

Protests concerning the result or conduct of an event shall be made within 30 minutes of the official announcement of the result of that event.

The Organising Committee of the competition shall be responsible for ensuring that the time of the announcement of all results is recorded.

Any protest shall be made orally to the Referee by an athlete, by someone acting on his behalf or by an official representative of a team. Such person or team may protest only if they are competing in the same round of the event to which the protest (or subsequent appeal) relates. To arrive at a fair decision, the Referee should consider any available evidence which he thinks necessary, including a film or picture produced by an official video recorder, or any other available video evidence. The Referee may decide on the protest or may refer the matter to the Jury. If the Referee makes a decision, there shall be a right of appeal to the Jury. Where the Referee is not accessible or available, the protest should be made to him through the Technical Information Centre

9.15.2 Appeals

An appeal to the Jury of Appeal must be made within 30 minutes:

- (a) of the official announcement of the amended result of an event arising from the decision made by the Referee; or
- (b) of the advice being given to those making the protest, where there is no amendment of any result.

It shall be in writing, signed by the athlete, by someone acting on his behalf or by an official representative of a team and shall be accompanied by a deposit of USD 100, which will be forfeited if the appeal is not allowed. Such athlete or team may appeal only if they are competing in the same round of the event to which the appeal relates (or are competing in a competition on which a team points score is being conducted).

Note: The relevant Referee shall, after his decision on a protest, immediately inform the TIC of the time of the decision. If the Referee was unable to communicate this orally to the relevant team(s) /athlete(s), the official time of the announcement will be that of posting the decision at the TIC.

10. MEDICAL SERVICES

10.1 General Plan

During the event there will be medical services available at selected locations and at the venues related to the Championships. Medical staff will be composed by doctors and physiotherapists under the supervision of the IAAF Medical Delegate. There will be a 24-hour medical service on duty including ambulance. All the Medical Centres and Medical Teams will have direct communication by mobile phones and portable radio transmitters and all the doctors and nurses will be easy to identify by their uniforms.

10.2 Emergency Contact Numbers

In case of emergency please contact the Competition Information Desk or the closest medical centre. Should this not be possible, call the LOC Medical Officer responsible for the service:
Local Coordinator for Health Care: Dr Victor Bargarora +254 722933703

10.3 Location of Medical Centres at the different venues

At the Competition Stadium and at the Warm-up / Training venues there will be Medical Centres available for the athletes.

At the competition venue, the medical centres will be open from 90 minutes prior to the start of the session to 60 minutes after the end of the session. At the training venues, they will operate according to the training schedule.

Medical Centre and Staff will be available at the Kenyatta University on short notice.

10.4 Procedures in case of injury or illness

Team members who suffer from an injury or illness must contact the closest medical centre (or Emergency Number – see above) in order to benefit from the LOC medical services.

In case of athletes' injury or illness preventing them from competing, a certificate must be requested from the official medical service and presented to the TIC in case of withdrawal from the event, especially if the athlete is entered in other events of the Championships.

10.5 Physiotherapy and Massage Services offered by the LOC

These will be available at the Training Venue and Warm-up Area on Championships days.

10.6 Team Physiotherapy Spaces

Dedicated massage areas will be available at the Training Venue and at the Warm-up stadium. Spaces dedicated to physiotherapy will be made available at the Kenyatta University.

10.7 Designated Medical Institutions

A local hospital has been identified and alerted for emergencies that should require hospitalisation.

Name: Aga Khan University Hospital

Address: Upper Hill Medical Centre, Ralph Bunche Road, Nairobi, Kenya

Phone number: +254 20 3662000

10.8 Drugs Importation and Doctors' Work Permit

The importation of drugs to Kenya for personal use is allowed, however these should **not** include those on the prohibited list of drugs, psychotropic and precursor for importation. The LOC may provide this list upon request.

Please note that team doctors do not need any special permission to work in Kenya.

10.9 Collection of Medical Waste

There will be special containers for medical waste.

10.10 Authorization for Medical Treatment

All minor athletes should have a Medical Treatment Authorization Form filled and signed by their parents or legal representatives. This signed document (see Appendix) should be carried either by the athlete or by its Team leader, should urgent medical treatment be undertaken on site.

11. DOPING CONTROL

11.1 General

Doping Control will be conducted according to the latest IAAF Procedures and Guidelines under the supervision of the IAAF Doping Control Delegate.

Local Coordinator for the Doping Control is Dr Jared Nyakiba, mobile number: +254 724708497

11.2 In Competition Control

At the Post Event Area, all athletes selected for Doping Control will be informed. Following post-event protocols which may include the medal ceremony or press interview, athletes will be escorted to the Doping Control Centre situated on the lower floor of the East Tribune (see Appendix). Drinks will be provided for those athletes requiring it, and athletes should drink only those beverages from sealed bottles provided by the LOC.

Athletes have the right to be accompanied by a team official who will be granted proper access to the doping control centre with a special pass, only when required.

11.3 Voluntary Doping Control

Athletes who were not chosen for Doping Control may voluntarily submit themselves for testing, for example in case of national record or best performance. In this case athletes, or an official from their team, must complete and sign the "IAAF Doping Control Test" form which is available at the TIC. The cost of such test is at the athlete's National Federation charge and will be debited to the National Federation's account with the IAAF.

11.4 Therapeutic Use Exemption (TUE)

If an athlete has to take any medication included in the latest WADA Prohibited List, a Therapeutic Use Exemption (TUE) is requested. The TUE has to be issued by the IAAF prior to the beginning of the event. During the WU18 only "urgent" TUE's will be dealt with. Under no circumstances a TUE for a chronic pathology will be issued.

11.5 IAAF Outreach Programme

IAAF will continue to promote a drugs-free sport through its Outreach Programme. A tent will be set up close to the teams' tribune offering athletes and officials the opportunity to familiarize with the IAAF's anti-doping policies and initiatives. More details will be provided on site.

12. DEPARTURES

The Team Leader will be requested to confirm the departure information, already provided in the Final Entries, at the Teams' Accreditation Centre.

The bus schedule for departures will be made available at the Championships Information Desks so that all Team Members are informed of the departure times of the buses from Kenyatta University to the Airport.

At the Airport Departure Desk, LOC staff will be assisting the Delegation Members.
