2. TRAVEL TO NAIROBI

2.1 Official Airport and Arrival Information

Jomo Kenyatta International Airport (NBO) is the official Airport.

Arrival in Nairobi should primarily be on Sunday 15 August. Those teams planning to arrive prior to 15 August and/or leave after 23 August, are advised to contact the LOC well in advance to check availability of accommodation and transport arrangements.

LOC staff will assist the delegations with entry formalities and customs clearance. The Delegations will collect their luggage in the Baggage Claim Area and carry them to the Transport Loading Zones provided for the Championships.

Special arrangements will be made for the vaulting poles which will be collected directly at the airport and transferred directly to Nyayo Stadium. A tag with the athlete's details will be placed on the pole for easier identification. On the way back they will go directly from the Stadium to the airport where they will stay in storage ready to be collected by the athlete before flight check-in. Personal throwing implements are the responsibility of each team and should be taken with the transported to the Team Hotels with the athletes.

In case of lost luggage, the LOC will make every effort to help locate it. The Team Leader is nevertheless expected to declare the missing luggage at the Lost and Found office. The Team Leader may be also requested to return to the airport to identify the luggage if it was not located immediately. Consequently, transportation of the luggage to the venue/Team Hotels will be arranged by the airline company or the LOC.

All athletes and officials will be transported to Ole-sereni Team Hotel to get nasopharyngeal swab LAMP test (see the Covid-19 Sanitary Protocol for Teams) and after to their allocated Team Hotel. The Team Leader will need to report to the LOC / World Athletics Offices to complete the administrative formalities. Once the Team Leader has finalised all necessary formalities, he will receive his accreditation.

In case of early or late arrivals, the Team Leader will complete all formalities the next day or as soon as practical.

Please refer to 9.11 for information on vaccines that you may be required to have to enter Kenya.

For the departure, teams will be transferred from their Team Hotel to the airport. At the airport volunteers will assist with check-in formalities and local tax exoneration stamp.

2.2 Entry Visas

Appendix E of Circular M/12/21 provides the list of Member Federations divided into three Visa categories:

- Category A: The countries whose citizens do not need a visa for Kenya;
- Category B: The countries whose citizens need a visa to enter Kenya and will receive an e-visa from the LOC;
- Category C: The countries identified by the Government of Kenya as being in special regions and which are required to meet specific visa procedures in order for the LOC to provide them with their e-visa.

For category B and C, detailed instructions on how to provide your information through the Event Entry System (EES) to obtain the e-visa letter from the LOC, can be found in Appendix F of the above mentioned Circular.

The LOC Visa team can be contacted on the following email address: visas@worldathleticsu20.com.

2.3 Medical Insurance

All Member Federations are responsible for subscribing to an insurance policy that covers illness and/or injury to any members of their delegation and/or team travelling to and from World Athletics competitions and during the event itself. Furthermore, proof of such insurance is now required in most cases to obtain visas.

All Member Federations included in the World Athletics Travel & Medical Insurance policy (Circular M/02/21) does cover any accidental illness that occurred only during the trip including all contagious diseases (including COVID-19) provided that all measures of the Member Federations' own country and the country hosting World Athletics Series Event, in this case Kenya, are followed. Please follow all COVID-19 related procedures and protocols in place when leaving your country, arriving and whilst in Kenya. Please note that the Travel & Medical Insurance policy will not cover the costs of being put in quarantine. Please contact the Medical Delegate for any information concerning any medical issue that arises at the event.

8.4 Athletes' Bibs

All athletes will receive 3 bibs, which shall coincide with the information written in the start list, as follows:

Every athlete must wear two bibs during the competition, the one with the name on the front, and the other with the number on the back. Go to Book C, C7.1 & C7.2. A visual guide of size, logo placements etc. can be found in the [WAS Events Guidelines on Clothing & Accessories](#) (Scroll down the webpage to the relevant section). Any infringement of the Rules may result in the disqualification of the athlete. Athletes not wearing their official team uniform will be required to acquire the correct attire before they progress through the Call Room.

8.6 Personal Belongings

In all track events, athletes are supposed to leave the Call Room ready to compete. Their belongings will be taken directly to the Post Event Area. In case of a bad weather, athletes will be allowed to take off their tracksuits at the start. Such later decision will be communicated to the Teams via the TIC. Field Event athletes (including Combined Events) will only be permitted to take a backpack or similar sized bag with them into the Field of Play. Combined Events athletes may bring larger bags but they must be left in the rest area during the events.

A strict inspection will be made on illegal and prohibited items, which athletes may have in their possession. Radios, CD/MP3 players, mobile phones, Smart watches, cameras, etc. will not be permitted. Any items that do not conform to World Athletics Technical and/or Advertising Rules and Regulations will be confiscated. Confiscated items may be retrieved at the TIC after the event upon presentation of the corresponding receipt.

8.7 Athlete's Shoes

Rule 5 of the Technical Rules applies to all competition shoes, and wearing non-approved shoes may lead to competition results not being valid (i.e.' UNC TR5.5 Uncertified'). Athletes and Member Federations can check the status of their competition shoe on the approved list published on the World Athletics website (<https://www.worldathletics.org/about-iaaf/documents/technical-information>).

On behalf of their athletes, Member Federations will be required to declare the shoe they will be wearing at the event through a specific form which must be completed online using a dedicated platform (please refer to our Circular M/24/21 of 12 July 2021 for all details). The online form must be completed and submitted starting 5 August until 13 August 2021. Changes will still be possible until the day of the final confirmation of the event in which the declaring athlete is competing. Paper forms are not available and email declarations will not be accepted either – the shoe must be declared using the online form.

Please note and inform your athletes that physical spot checks of shoes may be conducted on-site (i.e. either pre or post an athlete competing) and if a World Record is achieved. The Referee may collect the relevant shoe after the competition for further investigation. A shoe receipt form will be issued to the athlete.

Please note, if further investigation is needed, it will mean the shoe is sent to an independent testing laboratory and may be cut up.

8.8 Call Room Procedures

8.8.1 Call Room

Athletes will be gathered at the Warm-up Area. From here, they will walk to the Call Room via a cordoned pathway. The Call Room is located inside the stadium.

All competing athletes are required to report to the Call Room according to the respective reporting schedule (see below).

Athletes will be identified by their accreditation card and bib number and will undergo the routine checks:

- Checking of national uniform
- Inspection of personal belongings
- Checking of spikes (number, shape and size). If they do not comply with World Athletics Rules, the athletes will be asked to change them to the correct size. Low penetration pyramid and compression spikes are recommended. The maximum sizes allowed are:
 - All events: not more than 9 mm
 - High Jump and Javelin Throw: not more than 12 mm

For the track events, hip numbers will be delivered here. Bibs carrying the transponder for the athletes in all races (including Combined Events and Race Walks events) will also be delivered here.

Athletes who fail to appear on time at the Call Room without a valid reason may be excluded from participating in this and all further events in the Championships, including Relays. Team officials are not allowed to enter the Call Room.

After the completion of these procedures, athletes will be escorted to the Field of Play.

Athletes in Track Events will leave their personal belongings, including tracksuits, in the Call Room or as directed by competition officials, and enter the Field of Play ready to compete. Their personal belongings will be transported to Post Event Area for collection after their event.

Athletes must report to the Call Room wearing their mask and will be authorized to remove it only when entering the field of play. Dedicated personnel from the LOC (equipped with masks and gloves) will

collect masks left by Athlete and treat this material as a potential contaminated waste. Athletes will be handed new masks at the Post Event Area.

8.8.2 Reporting Times

General times for Call Room entry and arrival at the competition site are as follows:

Track Events	35 min	25 min	10 min
High Jump	70 min	60 min	45 min
Pole Vault	85 min	75 min	60 min
Other Field Events	55 min	45 min	30 min
Relay	35 min	25 min	10 min

All times are prior to the actual starting time of the event.

A dedicated, heat by heat and group by group, reporting schedule will be issued every day once Final Entries are confirmed and displayed at the Warm-up Area.

It will indicate the following:

- Entry to Call Room
- Arrival at competition site
- Start time of the event

Athletes who compete in Combined Events shall report to Call Room on each of the relevant days of the competition, before the first event of each day (the reporting times above will apply depending on the event). The athletes' control will however take place in the Rest Room before the start of each event. As the presence of the athletes in this room between events is not obligatory, all athletes must report to this room before the start of an event to undergo their final check. Fruit, energy bars, sandwiches and drinks will be provided in the resting area. Toilets and showers facilities will also be available. Athletes can also order specific lunch boxes the day before the event from TIC.

8.9 Other specific procedures

8.9.1 Starters Commands

8.9.2 Field Event Trials

Twelve athletes will normally compete in the Final of all Field Events. In Horizontal Jumps and Throws, the competing order for the fourth and fifth rounds of trials will be in reverse ranking order recorded after the first three rounds of trials. A further re-ranking will take place after the fifth round, so that athletes compete in reverse ranking order in the final round of trials.

8.9.3 Coaching Zones

Appropriate seating in the Tribunes will be provided for the Field Event Coaches. Access will be reserved to those coaches whose athletes are actually competing and will be checked against the start lists.

8.10 Timing and Measurement

Official timing and measurement will be provided by SEIKO. Transponder timing will also be used for all races from 800m and above to provide intermediate times.

Electronic Distance Measurement (EDM) will be used in the horizontal Field Events.

8.11 Post Competition Procedures

All athletes will leave the Field of Play via the Mixed Zone situated to the right of the finish line. In the Mixed Zone, the Media may conduct short interviews. Please note that the first three athletes in each Final may also be required to attend the formal interview.

Athletes will then reach the Post Event Area located at upper level at end of the finish straight where the clothing baskets will be taken from the Call Room.

Transponders from the athletes' bibs (see 8.4) will be collected here by Seiko. Those progressing to the following round (where applicable) will keep their bib and the transponders will be inserted again in the Call Room before the race in the following round.

Member Federation will be charged 150USD per transponder that is not returned by the athlete.

Here athletes will also be notified for eventual doping control and be informed of medal ceremony arrangements. From here they can then return to the Warm-up Area, to the Team hotels or go to the team seats.

Team Officials will easily be able to contact their athletes immediately after the event from the teams' stands.

8.12 Medal Ceremonies

The first three athletes in each individual event and the first three teams in each relay race will be presented with a gold, silver or bronze medal respectively. The medal presentations will usually take place before the doping control procedures and as soon as possible after the conclusion of the event. (When a ceremony is held on the following day, athletes shall report to the TIC no later than 30 minutes before the scheduled ceremony time. See medal ceremonies schedule under Timetable in Appendix.)

LOC staff will be responsible to gather the first three athletes or relay teams and escort them to the ceremony waiting area where they will prepare for the ceremony. When a delegation competes in relay Semi-Finals and Finals with more than four athletes, only the four athletes in the Final will be awarded medals during the official ceremony. The other athletes will receive their medals later through the TIC.

The athletes must wear their delegation's official uniform at Medal Ceremonies. During the playing of the anthem and the raising of the flags, they shall face the flags and conduct themselves in a dignified manner at all times.

Such athlete or team may appeal only if they are competing in the same round of the event to which the appeal relates or are competing in a competition on which a team points score is being conducted.

Note: The relevant Referee shall, after his decision on a protest, immediately inform the TIC of the time of the decision. At the Post Event Area, all athletes selected for Doping Control will be informed. Following post-event protocols which may include the medal ceremony or press interview, athletes will be escorted to the Doping Control Centre situated on the lower floor of the East Tribune (see Appendix). Drinks will be provided for those athletes requiring it, and athletes should drink only those beverages from sealed bottles provided by the OC.

Athletes have the right to be accompanied by a team official who will be granted proper access to the doping control center with a special pass, only when required.

10.3 Voluntary Doping Control

Athletes who were not chosen for Doping Control may voluntarily submit themselves for testing, for example in case of national record or best performance. In this case athletes, or an official from their team, must complete and sign the “WA Doping Control Test” form which is available at the TIC. The cost of such test is at the athlete’s National Federation charge and will be debited to the National Federation’s account with the WA.

10.4 Therapeutic Use Exemption (TUE)

If an athlete must take any medication included in the latest WADA Prohibited List, a Therapeutic Use Exemption (TUE) is requested. The TUE must be issued by the WA prior to the beginning of the event. During the WU20 only “urgent” TUE’s will be dealt with.

10.5 WA Outreach Programme

WA continues to promote a drugs-free sport through its Outreach Programme. However, due to COVID19, there will be no outreach program in this event.

11. DEPARTURES

The bus schedule for departures will be made available at the Championships Information Desks so that all Team Members are informed of the departure times of the buses from their Team Hotel to the Airport. Departure schedule will be settled according to the information provided in Event Entry System (EES).

At the Airport Departure Desk, LOC staff will be assisting the Delegation Members.
